

**SEVEN REASONS TO BECOME DISABLED OR DIE**  
**WITHOUT AN ESTATE PLAN**

1. The court can do a better job of caring for you and your loved ones during your disability than the individuals you would choose to care for them.
2. The court can do a better job of spending your money during your disability than the individuals you would choose to handle your affairs.
3. The court can do a better job deciding how to disburse your assets than you can.
4. The court can choose a better personal representative to handle your estate during probate than you can.
5. The court can choose a more caring guardian for you or your minor children than you can.
6. The government can use your dollars more efficiently than your loved ones or favorite causes.
7. Your grieving loved ones will be better off looking after your affairs without your stated goals, aspirations and desires.
